PLANT-QUARANTINE IMPORT RESTRICTIONS

OF THE

BRITISH COLONY OF CEYLON

A regulation of February 27, 1937 (Ceylon Government Gazette, Mar. 12, 1937), withdraws the item "ginger" from article 4, paragraph (a) of the general regulations (see p. 3 of B. E. P. Q.--428). Consequently, the word "ginger" should be stricken from the said paragraph and also from the item "Living plants, trees, roots, bulbs or portions thereof" under the caption "Importation Restricted" in the summary on page 1 of B. E. P. Q.--428.
